Mothers, Daughters, Sisters, and Friends are invited to attend the Sixth Annual Birthing Hope Tea.

We will share with you the beautiful story of Birthing Hope Zanzibar. This day is dedicated to Mothers, Babies and Midwives.

Midwives provide care and save the lives of mothers and babies. Compared to our Western world, in developing countries like Tanzania, there are still far too many women suffering the consequences of pregnancy and childbirth. This year with your help, CHaRA will honor the midwives you have sponsored for their contribution towards the health and life of Zanzibar. We will share with you about "International Day of the Midwife."

We will also highlight the Birthing Hope Newborn Baby Care Program you helped us begin last year. Gina Wilson, FNP, will share her Duke University and CHaRA project "Teaching our Zanzibar midwives how to do a complete baby exam the day of birth."

We look forward to this event every year to gather with you for a wonderful cause; saving mothers and babies. Without you the Birthing Hope project is impossible.

Sincerely,

Gaylyn, Carol and the Birthing Hope Committee
