BIRTHING HOPE CENTER

"For I know the plans I have for you"' declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

MISSION: To bring hope to young unwed pregnant girls. To provide a safe place to birth their baby. To provide an environment of love where girls can become the person God created them to be. To bring hope and change lives for now and eternity.

VISION: The Hope Center will be a place where young unwed mothers and their babies find hope, faith, love and joy. At the Center we will see possibilities and provide opportunities for the young women of our Center to be empowered to earn a living and care for their baby. We will not create dependency. Girls will receive an education that will produce confidence in their abilities to be part of their community. They will have power to love, work, help change their community and serve God faithfully.

CHaRA Birthing Hope Program began in 2009 with a group of ladies that gather for tea and giving to Birthing Hope for Midwives, Mothers, and Babies. It is a beautiful mission!
